Part #	1st Stage	2nd Stage	3rd Stage	L x W x H (in)
EWR 3035	Carbon	Membrane	Carbon	18" x 6" x 13"

Choose Purified Water

Drinking enough Reverse Osmosis Purified Water can improve your health and well being. The organs in your body need enough water to achieve optimal health. Water helps maintain blood volume which maintains your energy. Proper hydration improves your concentration and reaction time, especially during exercise. Water increases the number of calories you burn during regular daily activities. Increased water consumption reduces the excess sodium that can cause fluid retention and Reverse Osmosis Purified Water helps protect against a variety of ailments such as:

- Colds
- Constipation
- Bladder Cancer
- Urinary Tract Infections
- Kidney Stones

Choose Excalibur

Choose safe, pure water you and your family can depend on with the Value Reverse Osmosis System from Excalibur Water Systems.
